## Donation Terms

Donations to Air Wales Virtual are completely optional. Air Wales Virtual is and will continue to be 100% free of charge to use. However, we do have bills to pay for server/hosting as well as various additional costs such as ACARS and website upgrades when needed. If you would like to assist us with covering those costs, it can be done via the link on <http://ops.airwalesv.org> or via going directly here: <https://paypal.me/airwalesv>. Please note, we can only accept donations via PayPal. Please see PayPal's terms and conditions. Any donation will be used at our discretion but is guaranteed to be re-spent on the Air Wales Virtual organisation. All donations are genuinely appreciated, no matter the size of the donation.

Please note, donating to Air Wales Virtual does not entitle the donator to any additional benefits or a leadership role within the organisation. You will receive a "Donator" badge on your crew profile as a "thank you".
